Art Fair Tokyo 2021
Closing Report
March 21st ,2021

Art Fair Tokyo 2021 came to a close on Sunday, March 21. The fair attracted a total of 40,963 visitors in the exhibition area in Hall E on the second basement floor and 17,725 visitors in the Lobby Gallery exhibition area on the first basement floor.

We would like to express our gratitude to the government agencies and various other organizations for their cooperation and generous support with holding the fair during the coronavirus pandemic.

A virtual version of the art fair was also available on the Art Scope online platform. In this way, we created opportunities for people to enjoy the art fair even if not visiting in person.

Our next event is art stage OSAKA 2021, which is held in Osaka from Thursday, May 13 to Sunday, May 16. The next edition of Art Fair Tokyo is scheduled to take place between Thursday, March 10 and Sunday, March 13, 2022.

We hope to receive your continued support in our endeavors.
